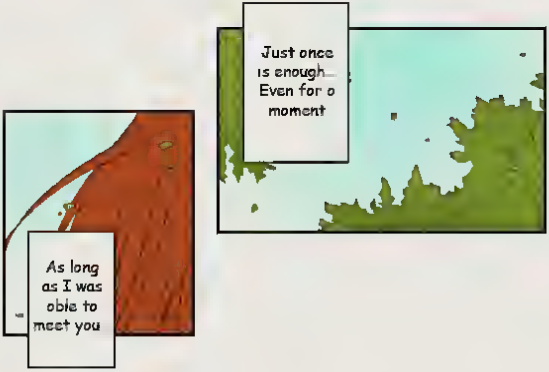
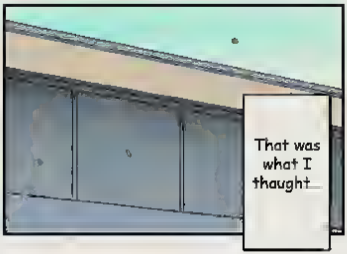
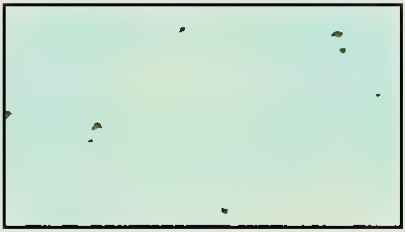
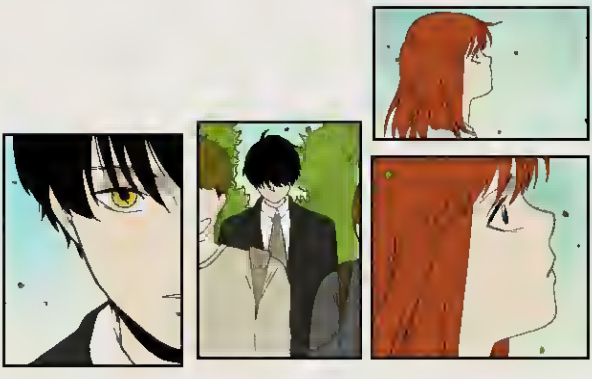
One day if I can I'll finish everything!





That was what I thaught...





Your hair is weird...

That's not what I meant!
It's okay!

That's an effective punch!
Na... Uhm

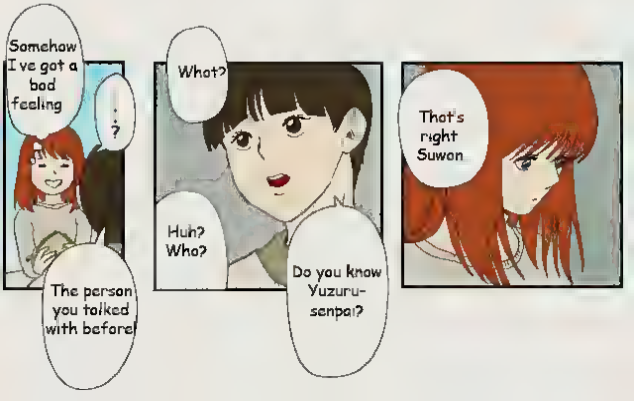
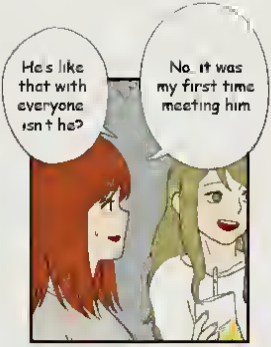
He gives the feeling of a man!
No this is my first time seeing him! It would be nice if he was in our department!
The senpais seem to get along well! Weren't you at orientation too?
Wasn't that guy earlier such an ikemen?
The guy wearing a suit!

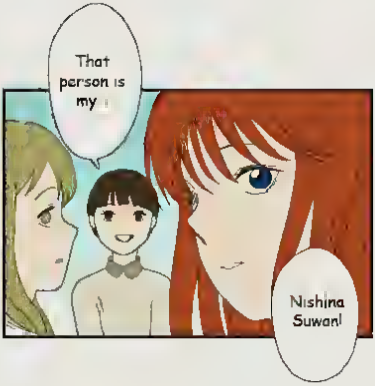


Somehow I've got a bad feeling
...?
The person you talked with before!
What?
Huh? Who?
Do you know Yuzuru-senpai?
That's right Suwon

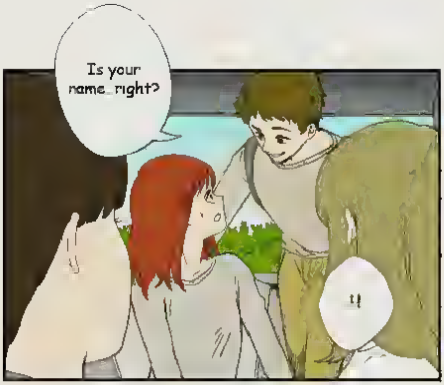
I see



He's like that with everyone, isn't he?
No, it was my first time meeting him

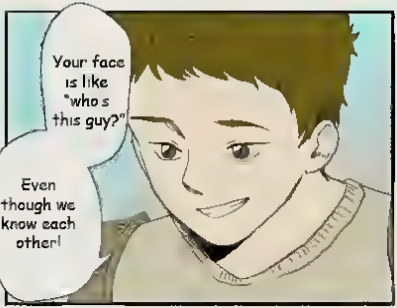


That person is my
Nishina Suwan!



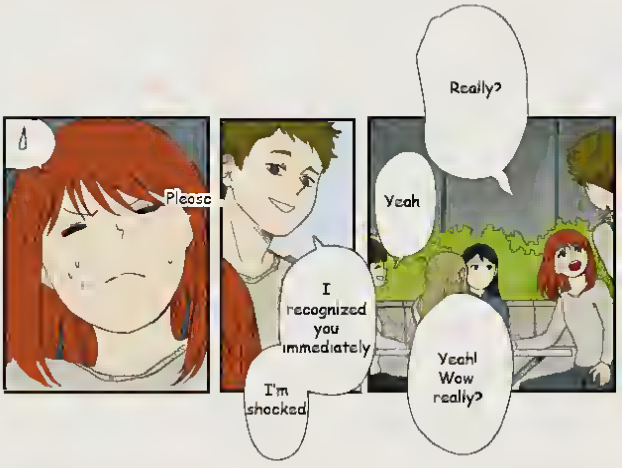
Is your name... right?
!!

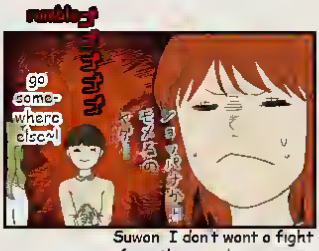
What? Uhmm... Yeah... but...



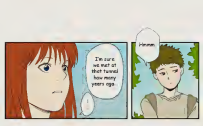
Your face is like "who's this guy?"
Even though we know each other!

I mean you went to the same school as Suwon
You've probaby seen each other there before right?
What? No I m..
flustered
I knew it! You guys do know each other!
sweat sweat
This is reallly our first meeting..
What should I do...This is awkward

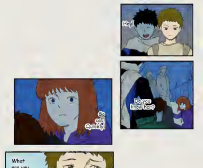




Suwon I don't want a fight from the very beginning..



I'm sure we met at that tunnel how many years ago
Hmmm



Ah!
Where is he/she?
Oh no!!

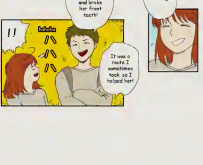
What are you doing at a fair? Quickly!
Ah! Ah-Choo!

Ahn!
You helped me that time!

Ohn! You finally remembered!
Yes! Wow. To think I'd meet you here.
Thank you so much for that time!

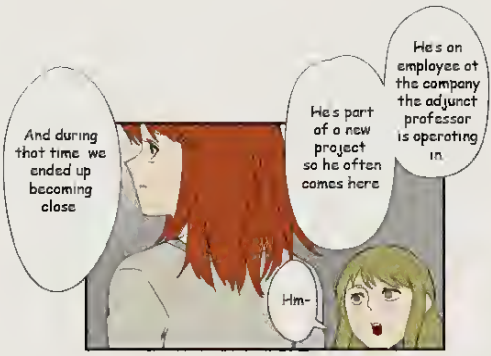
Eeek!
Dunno, how do you know each other?!
Dunno.
Huh?
Uhm... Uh...
I wasn't able to thank you then
Wow! This is amazing!

Noah no crumbled on on my nose and broke her front teeth!
It was a route I sometimes took to I helped her!
It's nothing

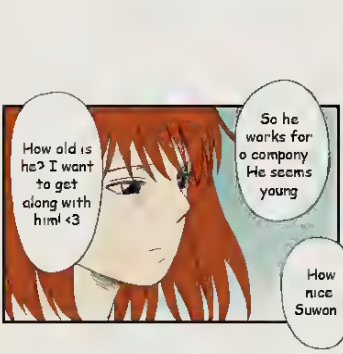


Oh no! I gotta go!
Yukuru I'm mad...right?
Then are those fake?
You broke your front teeth!

The guy wearing the suit before...
Hm? Kanata-san?
Then I'll see you later at class!
Yes!
Uh
Uhm!
Na
Is he also in our department?
He's not a student
It's alright he's a good guy!
Don't warry about it!
Na...!
Was he your type?
Is it because you called his hair weird?



And during that time we ended up becoming close
He's part of a new project so he often comes here
He's an employee at the company the adjunct professor is operating in
Hm-

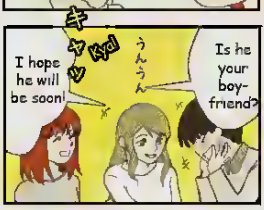


How old is he? I want to get along with him! <3
So he works for a company He seems young
How nice Suwon

Well, if you're curious about him, you should apologize! Later!
Bye-!

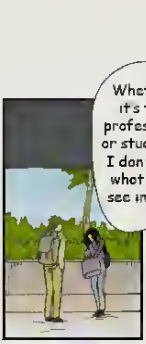
Konomi! Over there!
?

You're close with my darling after all!
Huh?



Kyal
I hope he will be soon!
Is he your boyfriend?

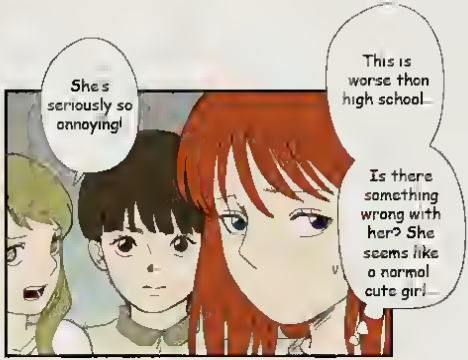
How shameful doesn't she care about people watching her?



Whether it's the professors or students, I don't get what men see in her

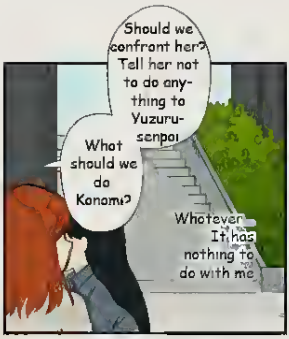
Aah! That girl is making a pass at him again!

People say she's cute though
She definitely did plastic surgery! On the nose!
How is she able to deceive all the guys!
I don't see what's good about her!



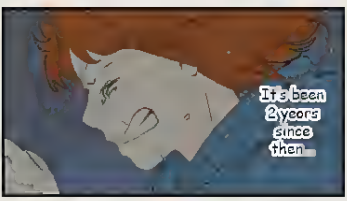
This is worse than high school...
She's seriously so annoying!
Is there something wrong with her? She seems like a normal cute girl...

So he frequents this school



Should we confront her? Tell her not to do anything to Yuzuru-senpai
What should we do Konami?
Whatever. It has nothing to do with me

Has he been well? What has he been up to?



It's been 2 years since then

Or did he quickly forget about me?

I wonder if there were times he remembered me
No, did he hate me?

Even after I ran away and moved
Has Onii-san been living in that room?

Yawn
Sleepy

Hey! Let's ask the senpai if they would like to attend with us!
I'm a little tired, and I left my textbook behind. I need to go get it!
That's a good idea!
Sorry, Carmen! We when you can!
Yes! Bye!

Then, I will leave things to you
